2012 BIG TICKET DRAWING PURCHASE YOUR TICKETS NOW!!!

The Foundation for Dental Laboratory Technology has another Big Ticket drawing fundraiser scheduled during 2012 and would like to thank our generous supporters who have graciously donated the following items:

- Whip Mix XCavator** – This item is the Whip Mix XCavator Automated Divesting Unit. The XCavator is ideal for pressable ceramics, press to Zirconia, press to Captex™, press to metal and metal castings. It has a retail value of \$2,753.00.
- Dentsply Cercon Complete System** – The Cercon® System capitalizes the exceptional strength, toughness, reliability and biocompatibility of translucent zirconia through the accuracy and control of an innovative computer-aided manufacturing (CAM) and computer-aided design (CAD) process. This package, valued at \$68,000 contains all of the parts of a complete Dentsply Cercon System including: Cercon Brain, Cercon Heat Final Assembly, Cercon Clean, Cercon Art System and Cercon Eye System.
- CAD Blu 3 Shape Scanner 8 Model** – This item, valued at \$30,000, is the 3Shape Dental System™ and provides powerful 3D scanning, CAD modeling, and order management. 3Shape’s user-acclaimed Dental System is designed to support familiar workflows, helping dental labs maintain their professional edge over competitors through complete automation of traditionally manual tasks.

All proceeds from sales for this raffle will go towards programs that benefit dental laboratory technology schools and will support the future of dental laboratory technology. Raffle tickets will be available for purchase at the NADL/NBC/FDLT booth at several tradeshows including LMT at Chicago Mid-Winter. Winners will not have to be present for the final drawing that will take place no later than March 2012.
